Lamesa Economic Development
Logistics. Location. Livability.

The City of Lamesa is a progressive community located between Lubbock and Midland. With a population of approximately 10,000 and top industries like U.S. Silica and Sam Stevens, Inc., we continue to see growth and a promising future.

Ready for Growth, Lamesa Offers a business-friendly climate, Shovel-Ready sites, available buildings, a medical park, with available tracts, located next to the Medical Arts Hospital, as well as an industrial site with vacant parcels.

Logistically located, the Interstate 87 Corridor includes the designated Heartland Expressway from Mexico to Canada.
